5. Specific Virtual Meeting Arrangements

a. Discussions

This section applies if members are experiencing good connectivity. In the case of poor connectivity see 5c.

At the start of the meeting there will be a roll call to determine those councillors present for those who do not have a video link. During the meeting all persons other than members will be muted. During the public session period members

of the public will be required to 'enable video' in order for them to be visible to the Chairman and will raise their hand to indicate that they wish to speak. Their microphone will then be unmuted and they can address the meeting. Following the conclusion of their address the microphone will be muted.

During the meeting members and officers will raise their hand to indicate to the Chairman that they wish to speak on an agenda item. Members will state their name when they are speaking for those who do not have video link.

During the meeting, the Chairman will invite members to speak either in rotation or where the member has raised their hand indicating a desire to speak to ensure every member has the opportunity to speak and avoid members speaking over each other.

All members attending the meeting will monitor their own background noise and mute their own microphones, except when speaking, if necessary to negate interference with the meeting.

All members may be requested to 'mute' their own micro phones whenever they are not speaking.

b. Voting

All voting will be undertaken by a show of hands. The votes to be read back before moving on to the next agenda item to ensure that everyone vote is recorded accurately.

c. Poor connectivity

In the case of poor connectivity the Chairman will decide whether to continue with the meeting or to reconvene.

In the case of video not being available for some or all of members attending the Chairman can choose to continue but to operate on a roll call for councillor views on individual agenda items.

d. Attendance

If a member is believed to have 'dropped out' this will be minuted. If 'drop outs' result in the meeting becoming inquorate members will endeavour to re-join for a period of 15 minutes. After 15 minutes if the meeting is still inquorate the Chairman will suspend the meeting and reconvene at a later time and date subject to the statutory days of notice. Members will be telephoned to be advised of the suspension.
